The following issues were discussed:-

ITEM I

The DRC members took cognizance of feedback and verbal comments received from time to time, from senior faculty members at KU as well as external experts, regarding some problematic issues surrounding the grant of Ph.D. degrees to research scholars, under the sole supervision of faculty members, within the MCA Department, at the North Campus of Kashmir University.

Since the computer sciences department at North Campus of Kashmir University has never been granted recognition as a research centre by the KU Administration (Office of the Dean Research), the above referenced scholars are perceived to be receiving doctoral degrees, without effectively fulfilling residency requirements, which demand the presence of both scholar and primary supervisor in a well-recognized research centre during the period of residency.

In order to prevent further erosion in the respectability of both the MCA department at North Campus, as well as the parent department at main campus, it was unanimously decided by the DRC that, henceforth, the faculty members at North Campus will be limited to serving as Co-Supervisors of scholars, who must have a faculty member from the parent department as primary supervisor and will be expected to fulfil residency at the parent department.

The DRC members believe that adhering to these new guidelines will restore the credibility of the doctoral degrees granted, under such joint supervision, until the time the MCA department at North Campus is recognized as an independent research center and its faculty is qualified and empowered to engage in sole supervision of research scholars.

ITEM II

The DRC members reviewed the applications for extensions submitted by the Ph.D. scholars of the department. The members unanimously recommended the grant of one year extension for the following scholars.

S. No.	Name of Scholar	Name of Supervisor
1.	Ms. Neeha Ashraf	Dr. Manzoor Ahmad
2.	Ms. Aurmella Rohie Bodha	Dr. Dawood Ashraf Khan
3.	Mr. Owais	Dr. Dawood Ashraf Khan
4.	Mr. Rameez Yousuf	Dr. Dawood Ashraf Khan

ITEM III

The application for grant of Academic Clearance submitted by Mr. Owais was reviewed by the DRC members. However, due to the non-availability of internet services, the validity of the publication submitted by the scholar could not be ascertained. Hence, the members resolved that the item be taken up in the next DRC meeting when internet access is available.
