The following issues were discussed:-

#### ITEM I

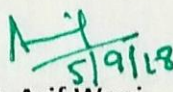

The DRC noted that out of 47 candidates who were initially found to be exempted from the screening test for Phd and MPhil admissions, only 15 turned up for their presentations out of which only 10 were ~~offered~~ <sup>selected for</sup> provisional admission. Thus only 10 vacancies out of 26 were filled leaving 16 vacancies unfilled. More vacancies have recently resulted. The DRC thus recommends that screening test be conducted so that the remaining PhD and MPhil vacancies (which stands more than 16) can be filled up.
