Sub: Free training-cum-placement assistance for students

Dear Sir,

With reference to the subject cited above kindly find enclosed details of training-cum-placement assistance to be imparted in online mode by companies including **CodeQuotient**, **Clicks Campus**, **LearnDesk**, and **Hoping Minds** for the students of your department. The training programme is free of cost and the students will also be provided placement assistance also by these companies after successful completion of their training. All the students shall have to register on the respective company using specific registration links available on the CCPC website under "Free Training".

The details of each program offered by these companies are attached with this letter and can be found on the CCPC website as well. You are requested to encourage all your students to take advantage of these free trainings so that their employability skills get enhanced and they get an opportunity for their placement too.

Sincerely yours,

Prof. M. I. Geer
Director
