**No. F(Research-Scholars)CS/KU/26**

**Date: 05-05-2026**

**Notice**

In pursuance of the University Research Statutes in force and in accordance with the resolution adopted under Item-V of the Departmental Research Committee (DRC) meeting held on 03 June 2026, it is hereby notified for the information of all research scholars of the Department that those who have completed the prescribed residency period of three years may submit applications for extension of their registration in non-residency mode for a period of one year, duly recommended by their respective supervisors.

Further, in cases where a research scholar is required to continue research work in the Departmental Research Laboratory, the residency period may be extended by a further period of six months beyond the prescribed three-year residency period, subject to the recommendation of the concerned supervisor and approval of the Departmental Research Committee (DRC).

It is further clarified that research scholars granted such extension of residency shall remain eligible to seek routine extensions of registration in non-residency mode, strictly in accordance with the provisions of the University Research Statutes in force.

All eligible research scholars are advised to submit their applications through their respective supervisors for consideration by the DRC.
