Registration of students as voluntary Educators/ Instructors for Adult Literacy Programme

Tata consultancy services (TCS) is going to organize an adult literacy Programme in the Valley of Kashmir in collaboration with centre for Career Planning and Counseling and Directorate of Lifelong Learning (DLL), University of Kashmir to integrate the literate with learning and functionality and to blossom them into lifelong learning system. Pertinent to mention that sharing of knowledge remains the basic social responsibility of ever learned person. With a special focus on the marginalized and weaker sections of our society, an initiative has been undertaken to harness inclusiveness of all stakeholders with a view to address the plight of the illiterate people. Our higher Education System can't remain unconcerned about the unreached and marginalized community vulnerable to exploitation and deprivation and one has to share literacy and knowledge which would increasingly enhance the moral credibility of the student community. The students of higher education system should try to contribute some amount of time for the poorest of the poor to ameliorate their precarious condition by imparting fundamental and basic literacy, a stepping stone for the larger socio economic interests of the society.

In order to carry forward this noble cause. Directorate of Lifelong Learning University (DLL) of Kashmir invites applications from the interested students of all the Departments of the University to register themselves voluntarily as Educators / Instructors. Tata consultancy services (TCS) will conduct an online two day workshop for the interested students related to the programme to deliberate upon the related areas like teaching methodology, andragogy, motivation, retention etc. The registration can be made at the office of DLL from **27.06.2022 to 07.07.2022** during office hour's in-person or by accessing the registration link available at the official website of Directorate of Lifelong Learning, University of Kashmir www.dll.uok.edu.in

***Note:** Programme is voluntary in nature involving no Remuneration/ Honorarium/ Stipend. However certificate of appreciation /participation will be issued jointly by CCPC, DLL and TCS to the volunteers who will participate in this programme.*
