EDUCATIONAL MULTIMEDIA RESEARCH CENTRE

University of Kashmir

Srinagar

CIRCULAR

Subject: Advance Intimation to EMMRC Regarding National and International Academic Events for Recording Expert Interaction Programmes

All Heads of Teaching Departments and Directors of Research Centres, University of Kashmir, are requested to intimate the Educational Multimedia Research Centre (EMMRC) at least 10 days in advance about proposed national and international seminars, conferences, workshops and other academic events involving eminent experts, distinguished academicians, researchers and subject specialists.

The advance intimation will enable EMMRC to plan and facilitate the recording of expert interaction programmes at its studio, subject to the availability, willingness and convenience of the resource persons.

The following may kindly be ensured while communicating such events:

1. **Advance Notice**: Intimation must reach EMMRC at least 10 days before the scheduled event.
2. **Event Details**: The communication should include the title, theme, dates, venue and brief details of the proposed academic event.
3. **Resource Persons**: Names, designations, institutional affiliations and areas of expertise of invited national and international speakers may be shared.
4. **Expert Interactions**: EMMRC will coordinate with the concerned departments to facilitate dedicated studio-based discussions and expert interaction programmes, subject to mutual convenience.
5. **Recording and Dissemination**: The recorded programmes may be disseminated through appropriate educational broadcasting and digital platforms to benefit students, research scholars, faculty members and the wider public.

All concerned are requested to extend their cooperation and ensure timely communication to facilitate effective coordination and planning by EMMRC.
