1. Prof. Javaid Iqbal
2. Prof.M. Arif Wani
3. Prof. Majid Zaman
4. Dr. Manzoor Ahmad Chachoo
5. Dr. Sajid Yousuf Bhat
6. Dr. Abid Sarwar

HODin the Chair
Professor
Professor
Scientist-D
Sr. Assistant Professor
Sr. Assistant Professor

The following issues were discussed: -

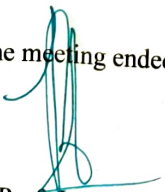

Item I

The Departmental Committee reviewed the representation/ email of one candidate Aqib Javaid Bhat as communicated to the HOD for his remarks by the office of the Dean Academic Affairs. In light of the contents of the attached email and noting that student progression after 4-year bachelors programme cannot be stopped and thus, to ensure academic progression of such students who have completed their four-year bachelors programme and seek admission to the fifth-year of the MCA programme, the Departmental Committee unanimously recommends that the Competent Authority may kindly accord approval to Lateral Entry admissions to the 2nd year of MCA programme offered at this Department & MCA programme offered at Satellite campuses & affiliated colleges. Further, if the approval for Lateral Entry admission to 2nd year of MCA programme is granted by the Competent Authority, then the University can admit students on Lateral-Entry basis to the second year of the existing two-year MCA programme. The selection for such admissions is proposed to be made on the basis of an Entrance Test to be Conducted by the University. The syllabus for same shall be framed/revised by the Department of Computer Science, Main Campus, University of Kashmir. The number of vacancies for lateral entry shall be 05 + any dropout vacancies which may accrue out of possible cancellation of admissions or students dropping out during 1st year. Further, the eligibility for the Lateral-Entry admissions to the second year of MCA programme is proposed as under:

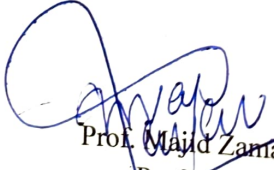

Intake for Lateral-Entry: 05 + any drop-out vacancies at the beginning of second year of the MCA programme.

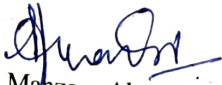

Eligibility for Lateral Entry to the second year of Two-Year MCA Programme: "Any 4-Year graduate with at least 20 credits in Computer Science/applications or any other computing field"

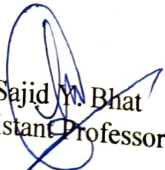

The meeting ended with a vote of thanks to the chair
