<ishaqgeer@gmail.com>

Dear All,

Greetings!

I hope this email finds you well.

It gives me immense pleasure to inform you that it was resolved to schedule an interaction of students of the University of Kashmir with the concerned officials from your company in the coming week. In this regard, please let us know whether you would conduct the interaction in the offline or online mode? so that we could make arrangements accordingly.

Also, it is desired to have the enrollment for the training immediately after the interaction is over. On the completion of the training of these students, we would expect the process for recruitment should begin, which should be followed by the job offers from the respective companies.

The center would like to have the MoU signing (either offline or online) after a month of the start of the employment of these students.

To start with, I would request you to please give us a convenient date for the start of the interaction in the coming week.

In case of any clarification or query, please feel free to reach me at below mentioned contact details.

Besides, please find an updated list of the students who have registered for the training.

Regards

Dear All,

Greetings!

I hope this email finds you well.

Please find attached a list of the candidates who have registered with this center for the training and subsequent job placements with your company.

In this regard, I would like to know the next step that needs to be taken to

Regards

Dear sir

Happy new year to all of you !!!

As per the new batch ; total 22 learners joined the course .

Kindly find the attached progress report for the enrolled learners.

Note: (Module % column shows their course progress ; when it becomes 1 that means the learner has completed the entire course)

Do let me know in case of any information required.

Thank you!
